## Representatives Of 20 Unions Will Attend Banquet

Representatives from 20 locals of the United Steelworkers of America, including six from this immediate area will attend an annual civic achievement awards banquet sponsored by the Associated Retailers & Civic Association, Wednesday night at the Granite City high school gymnasium.

Principal speaker at the banquet will be David J. McDonald, international president of the Steelworkers union.

Honors and awards are to be presented to the United Steelworkers of America and to Granite City Steel Co. for "outstanding community service" in keeping the local steel plant in operation during the 118-day national steel strike last year.

A spokesman for the United Steelworkers of America district office in Granite City said today that 504 reservations for the awards banquet have been taken by the Quad-Cities, Alton, East St. Louis and St. Louis.

Area locals who will have representatives at the banquet are 16, 20, 67, 68, 1021 and 1022. Officers, shop stewards and grievance committee members of the locals and their wives will attend. Other locals sending representatives are 1023, 1063, 1065, 1285, 2402, 1228, 1120, 1128, 3643, 4284, 4804, 4971, 5109 and 5574.

## Fred Werner Sr., 71, Dies of Diabetes

Fred E. Werner sr., 71, of 2952 Washington avenue, died at 9:40 p.m. Tuesday in St. Elizabeth Hospital from complications of diabetes. He suffered from a long illness, and was a hospital patient one day.

A native of Collinsville, Mr. Werner lived in Granite City 32 years and was retired from Granite City Steel Co. where he worked 53 years. He formerly lived in Madison.

He is survived by his wife, Mrs. Estee Werner; a daughter, Mrs. Charles (Hedy) Dwooge of Granite City; three sons, Walter of Madison, Perry of Granite City and Fred Edward Werner jr. of Anderson, Ind.; a sister, Mrs. Isaac Lewis of Madison; three brothers, Joseph of Houston, Tex., Frank of Granite City and Charles Werner of Madison; 10 grandchildren and six great-grandchildren.

Funeral arrangements are given in today's obituary column.

Speaker Tells Kiwanians

## Industrial Development Promising In This Area

All indications are that industrial growth in this area will keep pace with the predicted population explosion of the Metropolitan St. Louis area, John Hundley, in charge of industrial relations at the Granite City Steel Co., told 26 members of the Granite City Kiwanis Club at its meeting Monday.

Hundley said the possibility of developing industrial sites in Madison and St. Clair counties is especially promising since areas suitable for such development in St. Louis and St. Louis county are greatly limited.

About 14,780 acres making up 22 industrial sites are available in St. Louis and St. Charles counties, he said, while the area which is coming to be known as "metropolitan Illinois" can offer roughly twice the amount of industrial space and about 10 additional sites.

Mr. Hundley forecast that the population of the Metropolitan St. Louis area will increase from its present 1,920,000 to about 2,740,000 by 1975. The latter figure would include a labor force of some 1,100,000 persons, he said.

The population distribution in 15 years in Madison county will show an increase of some 40%, he stated, from an expected 98,000 persons in 1965 to 410,000 in 1975.

The area is well suited for industrial growth, due to several factors, he added. Its strategic location in the central portion of the

the nation, excellent transportation facilities, a flexible supply of skilled labor, a plentiful supply of natural resources and raw materials, adequate power and fuel supplies, plus good cultural, recreation and social environments are among the most important, he felt.

Labor relations in the area have greatly improved in the past several years, he added, and excellent educational facilities are soon to be expanded.

"Unfortunately there is no coordinated single metropolitan area-wide plan for road improvement, traffic control, zoning and the provision of other governmental services," he said. "Planning is presently being carried out to correct this situation."

Hundley said the information he presented was taken from a study and report carried out to obtain detailed and professional analysis of all factors that affect the feasibility of developing the Columbia Bottoms area.

The St. Louis county acreage available for industrial development, totaling some 7570 acres, "includes 2000 acres in the Columbia Bottoms which would be available only as a result of long-term development, including flood control and extension of railways and public utilities," he added.

The speaker was introduced by Mr. Freeman Wolfe, President Francis Judd presided at the meeting.

## Marzuff, Youth's Sight In One Eye Uncertain

The sight in the left eye of Phillip Marzuff, 12, son of Mr. and Mrs. Charles Marzuff, 2624 Washington avenue, depends on any complications which might arise following surgery Sunday evening at Cardinal Glennon Hospital in St. Louis, the family said, this week.

The seventh grader at Sacred Heart school was struck in the left eye by an object in a Washington avenue, and several friends had made the first to warm themselves near his home Sunday afternoon. An eye specialist at the hospital told the family the wound was a piece of glass.

It was originally thought that results of the operation could be determined this week, but now a wait of at least a week must follow, Mr. Marzuff said. He has some sight in the eye at the present time.

The boy was taken to St. Elizabeth Hospital and transferred to Desloge Hospital in St. Louis before being taken to Cardinal Glennon.

## Robert L. Barnhart Parents Of Son

Mr. and Mrs. Robert L. Barnhart, 2908 Dogwood drive, are announcing the birth of a daughter on Tuesday at St. Mary's Hospital, East St. Louis. The new arrival weighed four pounds, 13 ounces and has been named, Christy Lynn. They are also parents of three-year-old Victor Alan.

Proud grandparents are Mr. and Mrs. Ralph Land and Mrs. Penny Walter, all of Granite City. The father is an accident at St. Mary's Hospital.

Boy's Arm Fractured In Accident At School  
Gary Smith, 10, son of Mr. and Mrs. Frank Smith, Rural Route Four, Edwardsville, fractured his right arm in an accident at Maryville school Tuesday. He was taken to St. Elizabeth Hospital for application of a cast.

In another emergency case handled at the hospital, Robert O. Turner, 29, of 2046 Lee avenue, was treated Monday night for lacerations to the left side of his face, head and nose.

## New Rulings On 1961 Justice Of Peace Vote

The population of a city or village having a police magistrate can be excluded in determining the population of a county to be divided into three justice of the peace districts under the new law governing these officials, Atty. Gen. Grenville Beardsley held this view in an official opinion. All of the territory of the county must be included in determining the three districts, the opinion held, and the population of such cities and villages would be entitled to vote at the election for a justice of the peace.

The date for the primary election for justices of the peace, Beardsley's opinion advised State's Attorney Ben F. Rallsback of Tazewell county, will be Feb. 14, 1961. The first day for filing a primary petition for the justice of the peace election, to be held the first Tuesday of April 1961, will be Nov. 21, 1960, and the last day for filing Nov. 28, 1960.

Beardsley's opinion further held that:

The office of a justice of the peace must be in the district from which he is elected; and

The office hours a justice of the peace must maintain are discretionary with the justice. However, the opinion said, he should devote such time to his duties so that the business of the court will be handled with dispatch."

## 9 Area SIU Students Score Top Grades

Nine area students at Southern Illinois University are among 917 which compiled final term grades of 4.25 or higher. Registrar Robert McGrath announced today. A 4.0 average is equivalent of straight "B" ranking and 5.0 is straight "A," the highest average which can be attained.

Donald Thompson and Miss Mary Anne Land of Granite City and Miss Peggy Pryor of Madison are among the group with straight 5.0 averages.

Miss Joan Lashman, Anthony Della, Dennis Wilkerson and Miss Morris Barfield of Madison had averages between 4.25 and 5.0.

David Moser of Granite City completed a 4.25 and 5.0 average at Vocational-Technical Institute on the Southern Acres Campus of the University. The school is presently in the winter term.

## A. O. Smith, Owens Paper Advance To Industrial Playoffs 2nd Round

A. O. Smith Corp. and Owens-Illinois Paper Products advanced easily to the second round of post-season playoffs in the YMCA Industrial basketball league last night at the "T" gym.

Smith rammed home over Union Starch and Refining Co. 71-47 in the first game, while Owens clipped Granite City Engineers 67-41 in the second half of the doubleheader.

The Smith cagers will face Granite City Trust and Savings Bank, winners of a regular season playoff game for second place, next Wednesday evening while the Owens team will take on league champion Granite City Steel Co. in another second round game the same night.

By virtue of their positions at the end of the season, Trust Bank and the Steel Co. drew first-round byes in the playoffs.

A. O. Smith broke open a fairly tight game with a big third quarter last night, moving from a 30-27 halftime lead

to 52-40 after three periods. Union Starch, which finished last during the regular season, could muster only seven points in the final stanza.

Pacing the winners were Ed Gronzinski, Bob Moggio and Norman Martinez, each with 13 points, and Tony Costello, 11. Bob Henry rained 13 for Union Starch, and Joe Martinez 10.

Owens had four players in double figures and showed too much balance for the Depot squad. Hal McGinnis led with 19 markers, Jay Hilton and Don Myracle scored 15 each and Ken Pointer 12. Bob Dawson was the Depot's leading scorer with 11 points.

Owens took a commanding 35-22 halftime lead on Myracle's shooting, and routed the losers by outscoring them by 10 points in the final eight minutes, with McGinnis and Hilton carrying most of the scoring load.

The winners of next Wednesday's game will meet the following week in a single game to determine the playoff champion.

## Walker, Williams Stand Out; Granite City Team Displays Most Balance In Scoring

As is the usual case, Granite City's Rich Williams and Madison's Ed Walker, a couple of outstanding basketball players, were the subject of much conversation in and around the Madison gym Tuesday evening.

But the thing which had Trojan Coach Charles "Buddy" Mueller shaking his head and talking to himself after the Warriors had thoroughly scolded their hosts was the scoring balance. Warrior Coach Andy Sullivan's crew displayed in a decisive 89-64 win.

Informal that the Happy Warriors had blistered the nets at a 50-40 clip, Mueller said, "It's a foregone conclusion that Williams is going to hurt you, but Granite City proved tonight that if you concentrate your defense around him the rest of the team is going to score."

Unhappily for the Madison portion of the capacity crowd that packed the gym almost to overflowing, the game did not hold true for the Hubtowners, who will meet Granite City again in the regional tourney at Collinsville.

Sullivan built his sinking zone defense around Walker and let the rest of the Madison squad poe away. The Warriors could not stop Mr. Walker, who was the game's leading scorer with 32 points. But, with the exception of Frank Hilde and Ken Griggs, who had brief hot streaks from outside, Madison's attack was, at best, sporadic.

It took Williams and the Warriors, who added out a two-point win over Madison in an earlier meeting this season, slightly longer than one quarter to warm to the task before them; then they shot like demons with increasing regularity.

Totals on the final three quarters showed the Warriors making good on 31 of 48 attempts from the field for a fantastic 75%.

Both squads were ice cold in the opening minutes, Madison limping four of 17 shots and Granite City three of 14. The Trojans controlled both boards in the first quarter, which ended with the score decided 11-11.

Play opened up immediately in the second period. Sullivan had assigned Madison transfer Bob Price to dog Walker, and the locker guard at a recent end of blocking the Midwestern Conference's leading scorer when he tried to move into position to receive the ball from outside.

Markmen Find Range  
Walker made his moves more quickly in the second quarter, and his soft touch jumpers began to find the mark. So did Williams' high arching shots. Held without a field goal for 11 minutes, he found the range

with a 20-footer and the bucket barrage was on.

The Granite City guard, a cinch for all-conference and still a good bet to grab the SWC scoring crown for the third successive season, set up teammates consistently with pinpoint passing as the Warriors moved to a 37-28 halftime lead.

Carl Wortham, Frank Knight and Jim Simpson, each added at least two buckets in the period. Frank Hilde kept the Granite City defense a bit perturbed with six quick points, but Ois Wright's jumper was the only other scoring dose by anyone but Walker.

The pattern was set by the time Williams hit another shot from outside to give the Warriors a 60-45 bulge at the end of three quarters. Price committed his fifth personal with 5:40 remaining in the final stanza, but by that time Sullivan's charges had built an 18-point lead.

Smooth Offense  
The Granite City scoring machine, with Williams feeding smoothly and Knight displaying a deadly jump shot from about 12 feet, continued to function well. When Granite City subs took over with 1:30 remaining, the Warriors were up 82-62. Ken Griggs had strung three straight two-pointers for Madison to keep things from becoming completely out of hand, but Knight matched him basket for basket.

Williams might have matched or topped Walker's total, but Sullivan, with a practiced eye for the important Alton contest Friday, gave the little guard a well-deserved rest in the closing minutes.

Madison salvaged some consolation Tuesday evening by taking the important Alton contest Friday, gave the little guard a well-deserved rest in the closing minutes.

Madison's JV squad has compiled a 16-3 record.

The varsity contest — Granite City: Williams 30, Knight 18, Wortham 15, Simpson 12, Price 11, McDowell 2, Frank 1, Madison: Walker 32, Hilde 10, Griggs 8, Smith 7, Wright 5, Mueller 2.

OTIS WRIGHT SCORES for Madison Tuesday night against Granite City but the Warriors scored more than enough to offset his two points in downing the Trojans, 89-64. Granite City players are (45) Bob Price, (23) Bill McDowell and (next to Wright) Carl Wortham.

### Miss Danheiser Is Honored At Shower

A pre-wedding shower eventing Miss Cheryl Danheiser, Wednesday evening, given by her maid of honor, Miss Audrey Lancaster, in the home of Mrs. Fred Laird, 3000 Warren avenue.

The bride elect, who will be married Saturday to Shelby J. Jones, is the daughter of Mr. and Mrs. Norman Danheiser, 2028 Russell avenue. Her fiancé's parents, are Mr. and Mrs. Shelby F. Jones, 3025 Wayne avenue.

The ceremony will be performed at St. Joseph's Catholic Church.

Many gifts were presented to the honoree and were placed on a table draped with a white lace umbrella, adorned with pink flowers in pastel shades. Chaired at the base was a centerpiece of pink ruffles. Favors and table appointments were in a conforming color motif. The evening was spent at games with numerous prizes awarded to successful contestants.

## Book Reviewed For Church Group

The Ladies Missionary Society of Mount Zion General Baptist Church met Tuesday evening in the church for the regular February meeting with Mrs. Dorothy Moss opening the program with a Scripture reading taken from the Book of Acts.

Prayer was offered by Mrs. Edith Buchanan, and Mrs. Moss gave the devotionary topic, "Such As I Have Give Unto Thee."

Highlights from the book written by Dale Evans and Roy Royce were reviewed by Mrs. Lily

## B&PW Club Honors Bosses With Banquet Last Night

The Quad-City Business and Professional Women's Club honored their bosses at a dinner meeting Wednesday evening in the club room of the YMCA with Mrs. Dolores Allen, president, extending the official welcome.

A. C. Stoeber, director of utilities, Granite City Steel Co., gave the response for the bosses and was followed with the introductions of employers and guests.

Mrs. Gladys Wilson, public relations chairman, introduced Gene Jette, secretary to Congressman Melvin Price, who briefly addressed the group and in turn introduced the evening's speaker, Forrest E. Marsden, East St. Louis district manager of the Union Electric Co.

Marsden was chosen recently as "boss of the year" by the East St. Louis Junior Chamber of Commerce. He has been active in civic affairs in this area having served as president of the East St. Louis Chamber of Commerce, East Side Associated Industries, East St. Louis Rotary

Shannon and a discussion on "Stewardship" was presented by Mrs. Katherine Gernig.

Mrs. Lila Morford and Mrs. Emyle Carlen were honored as new members, and Mrs. Virginia Collins outlined the white cross requisitions for the month. Hostesses were Mrs. Junilia Williams and Mrs. Lora Williams who served a dessert course to 15 members.

## Charged With Speeding

Eleanor V. Damsel, 37, of 2348 Gary avenue, was arrested at 23rd street and Madison avenue Tuesday afternoon by Granite City police on a charge of speeding. She posted her driver's license as bond.

## Literature Is Topic Of Women's Club

The Nameless Women's Club held its February meeting Wednesday afternoon at the Grand Cafe, with Mrs. Frank Seiter, Mrs. D. W. Houston and Mrs. Marie Jennings as co-hostesses.

A luncheon was served to 21 members and a guest, Mrs. Sam Meyer. Literature was the topic of the afternoon's program, with the guest speaker, Mrs. Meyer.

Literature was the topic she authored entitled, "Three O'Clock Tuesday Afternoon."

Mrs. Meyer was introduced by Mrs. Alaroid Stewart, who following the program, suggested that each member spend a brief period writing, a short poem, with the results later read for elevation and entertainment.

Mrs. Paul Reintjes, vice-president, conducted the business meeting, with a nominating committee elected to prepare a slate of new officers for the next meeting.

On the fourth, Mrs. Russell D. Johnson, chairman, Mrs. Stewart and Mrs. Charles McCollum.

Mrs. Reintjes presented highlights of a recent county meeting of the Illinois Federation of Women's Clubs, which she attended accompanied by Mrs. W. G. Cooley, and a report was given by Mrs. Leo Schermer, public welfare committee chairman.

Arrangements for the club's annual "guest luncheon," to be held next Wednesday at the Elks Club were discussed by Mrs. Freeman Arbetter, who means chairman, who urged members to support the project.

The meeting concluded with the reading of the club check.

## Regional Ducats Go On Sale Friday In Madison, Monday In Granite City

Tickets for the IHSA regional basketball tournament game of Tuesday night between the Granite City and Madison will go on sale at the two local schools.

Principals Lawrence McCauley and John Palchett announced today, delivery of tickets and when they arrive, they will go on sale at Madison high school between 3:15 and 4:30 p.m. tomorrow.

McCauley has received no assurance of the arrival of the tickets on Friday, and will conduct the sale on Monday.

The tickets are priced at 75 cents for students and \$1 for adults for each game. Regional sessions are held only on Monday and Tuesday nights in an effort to enable more fans from the schools represented on the court to see their schools play.

The Collinsville gym will be cleared between the games Monday and Tuesday, Feb. 29 and March 1.

## Burglars Steal 38 Bottles of Whisky At VFW

Burglars carried off 38 bottles of whisky, 30 cartons of cigars, three boxes of cigars and a Zorro wrist watch from the VFW home, 21st street and Washington avenue between 8 and 8:30 a.m. Tuesday.

They also broke open three colored safes, commenting that the automatic renewal is explained on the section usually discarded before the card is placed in the voter's billfold.

Only time that the automatic system should not be relied on is when there is a change in address; in such cases, the new address should be written on the back of the card and it should be mailed to her office, she said.

Feb. 11, or 12 In Terminal Railroad Association yards adjacent to the Owens-Illinois Paper Co. Division plant in Madison, police in this area were advised by the railroad this week.

Two hubcaps were stolen off the 1936 auto of G. Detmer, 2564 Boyle avenue, Tuesday, when the car was parked on the lot at General Steel Castings Corp. It was reported to Granite City police.

The auto of Robert Miller, 714 Twenty-ninth place, was ransacked between 7 and 9 p.m. Tuesday, when it was parked on the lot at Granite City high school. Miller told police he was attending classes in the school when thieves entered his unlocked auto. He said insurance papers were missing.

The break-in was discovered and reported to police by Roy Thompson.

More Benefits Under New Law For Vet Survivors

(Pension requirements are greatly changed where widows and orphans are concerned. A series of questions and answers have been compiled by the Veterans Administration regarding the new income and eligibility restrictions.)

(This is the last in a series)

Q. How many widows and children will be affected?

A. Approximately 200,000 widows and children, survivors of a veteran who died after serving in world war II and the Korean conflict will become eligible for pensions after July 1, 1960, when the new system goes into effect.

Q. Don't they receive pensions under the present law?

A. Only if it can be shown that the veteran had a service-connected disability when he died.

Q. But the widows and children of deceased world war I veterans do not have to prove any service-connected disability to obtain a pension, do they?

A. No, they do not. And after nearly 1, survivors of world war II and Korean conflict veterans like survivors of world war I veterans will have to show that the veteran had 90 days of wartime service (or a disability discharge), was not dishonorably discharged, and that their annual income is within the limits prescribed by law to become eligible for a pension.

Q. How much pension does a widow receive now?

A. A widow with no children now receives a pension of \$50.40 a month. A widow with minor children receives \$63 a month, and if she has more than one minor child, she receives an additional \$7.56 for each extra minor child.

Q. What is the present limit on annual income for widows receiving pensions?

A. A childless widow may at present receive a pension if her annual income is not more than \$1400. A widow with children may receive a pension if her annual income does not exceed \$2700.

Q. How will the new law change all this for a childless widow?

A. Under the new system a childless widow will receive \$60 a month if her income is not more than \$600 a year; \$45 a month if her annual income is more than \$600 but not more than \$1200; and \$28 a month if

## Squires Complete Perfect Season; Health Club Wins

The Columbian Squires, Senior Tennis league champions in the park district-sponsored game, completed the season with a perfect record while Lincoln Place Health club swept up third place in two games played last night on the Nameless school court.

Leading only 19-18 after a first half lead, the Squires caught fire behind the shooting of Larry Wright and Bob Hoff to notch their 10th win without a defeat, dousing the Fire D's 58-43.

Jim McKechnan scored 28 points for Ross club but did not get much help as his team fell before the Health club in the evening's first game, 68-49. Lincoln Place was never threatened after grabbing a 19-8 first quarter lead.

Merrie Mendoza, the circuit's leading point-getter, added 17 to his total against Ross and now has 72 points in nine games. Dave Zeroff topped with 15 for the winners, who are now 1-4.

Wright scored 23 points for the Squires, and Hottel 14. Dan Darts rimmed 13 for the Fire D's, who are winless in nine games, and teammate Don Dillard added 15 more.

Second place Explorer Post 137-21 meets fourth place St. Bar at 7.

## 13 Quad-Cityans File Bankruptcy

Bankruptcy petitions are on file in the office of referee in bankruptcy, Springfield, for 13 residents of the Quad-City area, it was learned today from the office of the Associated Retailers & Civic Association.

The Granite Cityans are Charles Ray Kivlin, 4857 Walker avenue; Charles Sylvester Drummonds, 1929 Park street; Billy Lee Uih, 2732 Birch avenue; Robert Lee Crockley, 2133 Ohio avenue; Robert Allen Littlejohn, 1744 Spruce street; Clara Rose Jernigan, 2514 Hodges avenue; Frank Serrano, 947 Niedringhaus avenue; John Orval Teator, 2615 Hodges avenue; and Robert W. Batson, 2905 Roosevelt street.

Norris Ward, 107 Booker Campbell, Apt. 73 Venice Homes; Lester Sherry, 1128 Market street; Venice and William L. Luchini, 201 Weber street, Venice.

## SP4 Cooper Is Named Soldier of the Month

Army SP4 Guy R. Cooper was named soldier of the month for January from among troops stationed with the Third U. S. Army Security Agency station on Okinawa Island in the Pacific, his parents, Mr. and Mrs. Guy R. Cooper, 2401 Adams street, learned this week.

A member of the Army for the past two years, Cooper has been assigned to the ASA station for the past 15 months. An Eagle Scout before entering the service, he is serving as an assistant scout master for a Scout troop west of island natives.

## Traffic Accident

Involved in a minor accident yesterday afternoon on Johnson road at its intersection with Pontoon road were autos driven north by Joseph Chandel, 41, of 2887 Pontoon road, and Dorothy Costello, 35, of 2009 Garfield avenue. Police said there was damage to the front of Chandel's car and to the rear of the Costello auto.

## Police Headquarters in Venice A Busy Hub of Activity

"The duties of a police officer require more than just driving around in a police car, looking for someone to give a ticket to or arrest," Chief Robert Trower says in summing up the responsibilities of the Venice police department.

Probably more so than in any other city in this area, the Venice police department serves as a hub of communication and counseling for the entire city. When Venice residents are troubled, they take their problems to the police, whether it directly involves police work or not. And, more often than not, the difficulty is solved or eased.

The police regard law enforcement as their No. 1 assignment, and believe that their efforts have been showing increasing success as the years have gone by. But, in addition, they provide a "broad shoulder" on which various persons in need can unburden themselves. The department's multiple functions include attempting to locate jobs for the unemployed, referring those with family problems to the proper agencies and aiding a number of charitable causes.

"All members of the department support and are active in the Venice Crippled Children's Organization," Chief Trower reports. "A dance is given each year, being held on the last Saturday of January."

Treasurer, Youth Work. "They also sponsor a program for distributing Christmas treats to children. The department has representatives at the Quad-City Safety Council, American Automobile Association and National Safety Council meetings."

"There is a juvenile officer, John Esington, who works in close harmony with the Madison County Probation Office, coordinated Youth Services office and Illinois Youth Commission. All juvenile offenders are handled by the juvenile officer, who also is instructor of the school boys' club."

"The office of chief of police is constantly contacted by persons seeking employment, housing and other assistance, in-

cluding seeking aid from the state requesting relief. None are turned away without some effort being made to aid them.

"Also, there are cases of transients stranded and requesting aid. Through cooperation of the police department, families who are in these circumstances or families whose homes have been burned are referred to such agencies as the Salvation Army, American Red Cross, Catholic and Protestant churches or the Venice township relief office, Madison County Housing Authority, industries, labor organizations and numerous small businesses.

"Without their help, this job could not be done," the chief commented, praising the interest and efforts of local welfare groups and other organizations. "Also, in addition to handling all police matters, the police take part in all local civic affairs, including parades. The police also are called upon to convey sick and injured persons to doctors and hospitals."

"Each year, police conduct a door-to-door canvass for city auto and dog licenses. A squad car is required to go to each house."

"All officers of the department have attended at least two police matters, the police schools lasting two weeks each. These schools are sponsored jointly by the Granite City, Madison and Venice police departments."

"In 1941, the police department was placed under the Civil Service Act by the late Dr. John E. Lee sr., mayor. This was the first step in building of a better and more efficient department."

"In 1960, in addition to the chief, detective captain, lieutenant, three sergeants and eight full-time officers, there is one part-time officer, plus a uniformed officer for the school patrol at the Broadway crossing. Modern Equipment

"The city is patrolled by two squad cars in two quad cars equipped with two-way radios. Gasman carried in each car includes fire bombs, fire extinguishers, riot guns, an inhalant gas man, oxygen tank, blankets and wrecking bar. Two sections of Venice are patrolled by officers on foot, and these police contact headquarters each hour by direct phone lines."

"The police work eight-hour shifts and are off eight days each month. There is no time lost due to sickness or attendance court. The city also pays for uniforms, and all officers except one are under civil service. The salary of police is \$450 a month."

A comparison of the months of July 1939 and July 1959, chosen at random, shows that the department's monthly arrests increased from 35 to 178 during the 20-year period, with fines rising from a one-month total of \$25 to \$774. With the department increased in size and salaries also raised, the monthly salary costs rose from \$380 to \$6833.

Photographs, Fingerprints. "The department is equipped to take pictures and fingerprints of prisoners. We have tear-gas bombs, a machine gun and first-aid equipment. Records and file are kept on arrests and accidents."

"The department has two cars that are marked and radio equipped, and one unmarked radio-equipped car. "All police are members in good standing of the Madison County Police Association, Illinois Police Association and Protective Association."

"The Venice police officers' club, which meets the first Monday of each month, sponsors a dance held annually on Halloween eve.

Plan Tape Recorder. "Proceeds are spent on police equipment, such as a bullet molder and reloader, flasher for one of the quad cars, siren for another quad car, light apparatus and new lock holders for rioting in the near future, the window.

Trower in May 1940. Sgt. Keith Galloway started in October 1941 and Officer George Rhodes began part-time work in October 1944, changing to full-time in May 1953.

Other starting times were as follows: Lieut. William Smith, September 1945; Officer M. E. Hayden Jr., May 1952; Officer Ralph Brawley, May 1953; Officer Homer Esington, June 1953; Officer Raymond Mikolajuk, August 1953; Officer James Cooper, October 1954; and Officer Ben Mangaradino, June 1955.

Many Changes In Past 20 Years. "A great many changes have been made in police work over the past 20 years," Trower recalls. "In 1940, the Venice department was comprised of 11 officers and sergeant who worked a day shift from 7 a.m. to 6 p.m.; a night desk clerk who worked from 6 p.m. to 7 a.m.; and three full-time police officers who worked from 7 p.m. to 5 a.m."

"No living man was available. When officers were on their two 'days off' each month, other officers doubled over and handled the other beat."

"The city was divided into four beats. As each officer walked his beat, he called city police headquarters each hour. Salary was \$140 a month, and no time off was allowed for being sick or attending court. The officers provided their own uniforms and equipment."

"In 1941, the police department was placed under the Civil Service Act by the late Dr. John E. Lee sr., mayor. This was the first step in building of a better and more efficient department."

VENICE POLICE DEPARTMENT has undergone a few changes since this group photograph was taken 49 years ago. The department has been expanded to 15 full-time officers and two part-time men, and its crime detection equipment is reported as among the most modern in this area. The 1911 picture shows (seated, left to right) Sp. Harry Martin, Chief Mort Moran and Patrick Foley, and (standing, left to right) George Cox, Herbert Butler, Charles Gills, Robert Trower sr., and Henry Smith.

## 5 New 'Yield' Signs For Cloverleaf Area

Yield right-of-way signs are to be placed at five locations in the Cloverleaf subdivision. An ordinance establishing the locations and setting fines of \$5 to \$200 for violators was approved by Granite City council members Monday night.

The signs will be at the following locations: on Boyle avenue at Spaulding avenue; on Spaulding avenue at Stearns avenue; on Stearns avenue at Walbrun avenue; on Stearns avenue at Lynch avenue; and on Woodlawn avenue at Lynch avenue. "The council also adopted an ordinance for a 7 1/2-foot easement on the property of Mr. and Mrs. Lawrence T. Jaxos, 2108 Clark avenue, for installation of a sanitary sewer line.

## Hi-Run Accident On Madison Avenue

A hit-run accident on Madison avenue at 22nd street was reported to Granite City police last night by Melvin Lee Arbogast, 26, of 2201 Benton street, who gave police the license number of the hit-run vehicle.

Arbogast said police he was traveling north on Madison avenue and that the hit-run motorist, he passed him at a high rate of speed, then cut into his traffic lane too sharply, damaging the left front fender of his car. "The car was able to pursue the license number enough to obtain a license number."

WILLIAMS HONORED ON SILVER ANNIVERSARY  
The 25th wedding anniversary of Mr. and Mrs. Don Williams was observed with a dinner party Sunday evening in their home, 6415 Wabash avenue. The honored couple was married in Centralia, Ill., Feb. 14, 1935.

Hostesses for the party were Mrs. Carolyn Bell, Mrs. Nell Taylor and Mrs. Lois Hoffman. A three-tiered wedding cake, decorated with white tapers in silver candelabras, formed the centerpiece of the dining table.

Large silver and white wedding bells were suspended throughout the dining area. The gift table was centered with a "money tree" and was decorated in a valentine motif. Many gifts were received by the honorees.

Singing and dancing followed the dinner.

Attending were the mother of Mrs. Williams, Mrs. Sam Dukes of Centralia; her brother-in-law, Mr. and Mrs. John Ryan, Mr. and Mrs. George Vogt and Mr. and Mrs. Neeter Lappe of St. Louis County; and from Granite City, Mr. and Mrs. Dave Thompson, Mr. and Mrs. Charles Baumgartner, Mr. and Mrs. Jerry Rosenberg, Mr. and Mrs. Austin Whitmer, Mr. and Mrs. John Ryan, Mr. and Mrs. John Royce, Mr. and Mrs. Les Thompson, Mr. and Mrs. Vincent Frizell of Bloomington, Mr. and Mrs. Richard Connel of Alton and Mr. and Mrs. Jack Yeager of Jennings, Mo.

**MRS. MATTHEY HOSTESS TO NEW CLUB**  
Mrs. Betty Matthey, 3927 No. meadow road, was hostess to the Over 21 club Monday evening at her home. Names were drawn for secret pals for the coming year, and high score was won by Mrs. Florence Borders.

A late dessert course was served by the hostess to Mrs. Borders, Mrs. Kathleen Heile, Mrs. Mary Feurke, Mrs. Penn Shookman, Mrs. Leona Johnson, Mrs. Jean Hamilton, Mrs. Mary Doman and Mrs. Dorothy Ruten.

The next meeting will be held Feb. 22 in the Matthey home. Mrs. Leona Johnson will be the hostess.

**H. W. KEYS FAMILY MOVING TO FLORIDA**  
Mr. and Mrs. Harold W. Keys, 1723 Pontoon road, flew to West Palm Beach, Fla. over the weekend to purchase a new home. The keys and their four children, David, seven, Bobby, six, Kathy Ann, two, and Danny, one, are moving in the second week of March to North Palm Beach, where Keys has accepted a position with the Air Products Corp. While a Granite City resident, he was employed by the General Chemical Co. in East St. Louis.

**GUESTS FROM MICHIGAN**  
Mr. and Mrs. A. W. Orr, 2241 Waterman avenue, were visited briefly early this week by Mrs. Orr's parents, Mr. and Mrs. Daniel Carr of Grand Rapids, Mich. The Carrs were on their way to a mid-winter vacation in Florida.

## HOME MADE CHILI SUPER TONIGHT, FEB. 18TH-5-8. MADISON BAND PARENTS CLUB, RECREATION CENTER.

Charles Bauer, 1419 Third street, has returned to his home to recuperate from major surgery which was performed at the John Cochran Veterans Hospital in St. Louis.

Have you ever had a peaceful looking plant for over five years that all of a sudden grew 59 inches within three weeks? Jay Elliott of 1511 Johnson road has a plant called a "Sacred Lily of India" and commonly, "Giant Devil's Tongue." The latter describes the plant which Elliott has in his living room. It is 59 inches high and has a large deep-maroon-colored flower on top of a single long green stem with a smaller stem, or "tongue" coming out of the middle of the blossom.

Until the latter part of January the plant was a dormant bulb sitting in the basement of the Elliott home, where it has been every winter for eight years. Every summer the bulb was planted in the Elliott back yard and would sprout a green stem to about two feet tall but would never blossom.

But suddenly this January his wife, Clara, noticed the plant starting to grow and placed it in the living room. It has been growing until the flower opened this week while the Elliotts were away from home. In one stretch of time the Lily grew at a rate of five inches a day.

"We had fun watching it," Elliott said. "Every morning we would measure it to see how much it had grown." The plant has a distinct feature which Elliott and his wife have noticed since the flower bloomed. It has a strong odor that a spokesman for Shaw's Garden in St. Louis said has given it a special name among some flower growers, "The stink lily." The plant is common in Florida and can be grown this far north but is not well known in this area. Another name for the plant is "Tropical Jack in the Pulpit."

"I guess I just like to grow odd things," Elliott said when asked about his hobby. "I have an English Walnut tree in the backyard plus several other types of trees. Also in his collection is a Montana Rose (a vine grown in Mississipi), and a night blooming jessamine.

Elliott is a substitution operator at Granite City Steel Co. Blast Furnace division.

## MRS. WEBB HOSTESS

Mrs. Ann Webb was hostess to the Ruth class of the Temple Baptist Church in her home, 1825 Second street, Tuesday evening with Mrs. Goldie Britt as co-hostess. The meeting was opened by the president, Mrs. Geneva Hill.

Mrs. Ruby Ackerman led the group in prayer, and the devotional for the monthly meeting was given by Mrs. Ruby Schneider on the topic, "Ruth." A short business meeting was conducted by Mrs. Hill. Mrs. Ruby Ackerman and Mrs. Ruby Schrader sang a duet.

The meetings were held on Tuesday evening of each month. Mrs. Neidhardt and Mrs. Mayo will entertain the class at church in March.

## RETURN FROM WEST

Mrs. Charles A. Lybarger and her daughter and granddaughter, Mrs. Deane Nicholas and Lori Ann Nicholas, of Madison returned home Monday evening from a three-week vacation and sightseeing tour in California. They were guests of a son-in-law and daughter of Mrs. Lybarger, Mr. and Mrs. William Howard, who reside in Riverside, Calif., and are former residents of Madison and Granite City.

They also were guests of Mr. and Mrs. William Howard, former residents of Venice, and of Mr. and Mrs. Steve Miller of Long Beach, former residents of Granite City. They visited Disneyland, Marlineland, and San Diego. The trip was made by jet.

## Attend Farm Bureau Meeting in Chicago

Mr. and Mrs. Wilbert Engelke and Mr. and Mrs. Robert Brave spent several days this week in Chicago, where they attended the 32nd annual "round-up" of agents and staff members of the Country, Crops and Farm Bureau leaders, held at the Ridgeway Beach Hotel.

On Monday, Mrs. Engelke and Mrs. Brave attended a musical fashion show, while their husbands were at special meetings. Brave was one of the state's top agents, who received recognition for his diligent service. Engelke is a member of the I. A. A. board. Madison county and thirteen representatives at the round-up.

## Shoplifter Caught

No charges were placed against a 17-year-old Eagle Park Acres youth who was taken into custody Monday afternoon by Granite City police for allegedly shoplifting a sweater at the P. N. Hirsch store. The sweater was returned, and police said the store operator did not want to obtain a warrant.

## Motorist in Crash Forces Charge

A charge of failing to yield right-of-way was placed against Genevieve R. Thomas, 33, of 333 Fleming road, following a traffic accident at Lincoln and Ridgeway avenues yesterday evening. She posted her driver's license as bond.

Police said she was driving south on Ridgeway avenue, while the other car, operated by Michael Schuler, 20, of 2208 Lincoln avenue, was traveling east on Lincoln avenue. No one was injured, but the Thomas car was towed away, according to the report.

## Stop Sign Charge

Ralph M. Flowers, 26, of St. Louis, who was arrested about 5 a.m. Wednesday by Granite City police on a charge of failing to observe a stop sign at Nevada and Johnson roads, was released on \$11 cash bail.

Mrs. Rose Larsen of Broadway, Venice, and Mrs. Alpha Garrison, Apt. 13, Venice Homes, spent Tuesday visiting the Alton State Hospital.

## State Capitol NEWS

During the past year more than 11,250,000 persons spent vacation time in this state and Illinois merchants' cash registers ringed to the tune of \$858,000,000 as a result. This report is from Carl G. Hodges, head of the state's travel promotion and public information agency. The number of visitors last year surpassed the 11 million estimated figure Hodges anticipated during the year in view of the surprising 10,500,000 who visited Illinois during 1958.

Hodges attributes the heavy influx to four major events. He credits the visit of Queen Elizabeth, the Pan-Am Games, opening of the St. Lawrence Seaway and the World Trade Fair with attracting many of these visitors. The impact of the official state slogan "Land of Lincoln" on license plates and in travel advertising placed by his agency is pulling additional thousands of visitors each year.

Illinois is ideally situated in the heart of the continent and, Hodges says, as more and more people take to the highways the Land of Lincoln can look forward to a continual rise in the number of out-of-state visitors. He urges industries associated with travel to continue to improve their services to attract these visitors.

Infectious hepatitis, a disease of the liver commonly referred to as yellow jaundice, is on the increase in Illinois, the state Department of Public Health said last week.

Public Health records show that 114 cases were reported for January 1960, an increase of 46 cases over the 68 reported in January 1959. In December 1959 there were 95 cases reported, an increase of nine over the 86 cases reported for December 1958. The report said that 885 cases of this disease existed in Illinois in 1959, compared with 700 reported during 1958.

A survey of dairy and breed-facilities over four months of age in Macopin, Pope, Saline and White counties by the Illinois Department of Agriculture shows them to be less than three per cent infected with brucellosis. Stillman J. Standard, state director of agriculture, declared the four counties now eligible for the test and slaughter plan for eradication of bovine brucellosis. The certification, he said, brings to 86 the number of counties placed under the Illinois Bovine Brucellosis Control Law.

Forty-five counties have been certified as brucellosis-free. Honey production in Illinois during 1959 totaled 7,344,000 pounds, 37% above the 1958 production, according to the Illinois Cooperative Crop Reporting Service. The average price received by producers for honey in 1959 was 20.8 cents a pound, compared with 22.2 cents received in 1958.

Illinois traffic accidents claimed the lives of 142 persons during January, according to provisional figures released by the Office of Gov. William G. Stratton. Ninety-seven traffic deaths took place in a similar period last year, setting the lowest January total on record in the state. Continued strict enforcement by the Illinois State Police and all law enforcement agencies will be pointed toward apprehension of all traffic violators with special attention given to the drinking driver as well as the speeding and reckless motorist.

First contracts to be awarded on highway construction projects in Gov. William G. Stratton's 1960 road program were announced recently by the Illinois Division of Highways. The awards totaled \$9,893,160.

Intensive agriculture in Illinois has transformed grasslands into corn and soybean fields, reducing the prairie chicken population to less than 2000 birds, according to the state Department of Conservation. The Illinois Prairie Chicken Foundation is striving to preserve an Illinois bird that occupied a unique niche in the history of this state.

## SIU Adds 67 Acres To New University Campus

Southern Illinois University yesterday received title to another 67 acres of land for its new campus between Edwardsville and the Quad-Cities. Title to the land, located off Patton road near Alternate U. S. Route 66, was delivered at the Edwardsville National Bank and Trust Company.

Myron Bishop, SIU associate professor of applied science in charge of land acquisition for the university, took title for SIU from Andrew and Theresa Hollo. The university will obtain possession on or before July 1.

A suit had been filed Feb. 6 in the Madison county circuit court, asking that the owners be required to comply with terms in an agreement for sale of the tract to the university. The date of the agreement was May 15, 1959, Bishop said.

The university has acquired title to more than 1400 acres of land for its new campus to date. The land has been purchased with money contributed by 60,000 persons in the area.

### Demonstrations By Scouts Featured At McKinley PTA

Boy Scout Troop 11 opened the February meeting of McKinley school Parent Teacher Association, Tuesday evening, in the school auditorium, with the presentation of colors and pledge of allegiance. Troop members, under the guidance of Scoutmaster Ted Scrum, gave demonstration of first aid techniques and knot tying.

In observance of the 63rd anniversary of the National Congress of Parents and Teachers, Ralph Monken presented a review of the history of the organization, its aims and purpose, paid tribute to past presidents of the McKinley school unit, Vaill Georff, vice-president conducted the business session, with members hearing a report on the throat culture program, presently underway at McKinley school, given by Principal Paul Wisch, who said current reports indicate a substantial drop in positive cultures for this term.

Principal Wisch also invited both parents and faculty members to attend an authoritative lectures on the "Theories of Reading Habits and Teaching" to be given at the East St. Louis branch of Southern Illinois University, on March 4. Georff read two invitations, one from the Area PTA Council, which requested delegates for the initial course in "Parent Education," to start March 15 at the senior high school. The second invitation came from the Girl Scout Council, for the opening of new Camp Lakota, March 27.

Mrs. Doris Buer, ways and means chairman announced that

students will conduct a "Seed Sale," to get underway Feb. 22 and continue for two weeks. She also expressed her appreciation to members who made the recent variety show a successful occasion.

The group voted to contribute two robes for the use of the local Mothersingers choir and were asked by Mrs. Mitzi Hobbs to participate in a safety slogan quest.

Tom Teague, Chester McMillan, Mrs. Carla Ashmore and Monken were elected to the nominating committee to compile a slate of new officers for next semester. Miss Mabel Stewart, second grade teacher received the attendance banner for the month's highest parental attendance. The business meeting concluded with the PTA Prayer and the group adjourned to the cafeteria which refreshments were served by room mothers of the third grade.

**BRIDE-TO-BE, MISS ARLENE NEMETH, HONORED**

Approximately 180 guests honored bride-elect Miss Arlene Nemeth during a pre-wedding party given this week at St. Mary's Church hall in Madison. Miss Nemeth will become the bride of Walter R. Slaby, son of Mr. and Mrs. Walter Slaby, 1221 Meridian street, April 23. The bride-to-be's parents, Mr. and Mrs. William Nemeth reside at 2105 East 19th street.

After the packages were opened, games were played and numerous prizes awarded.

MISS MILDRED NICHOLLS and Edward Craft, who were crowned Queen and King of Kirkpatrick Homes Teen Age Club during the annual St. Valentine's Day party, last weekend. Miss Nicholls is the daughter of Sgt. and Mrs. Stacey L. Walker, 4601 Kirkpatrick Homes. The king is the son of Mrs. Lillie Craft, 2704 Myrtle avenue.

### Philathea Class Uses Patriotic Theme At Meeting

The Maude M. Tolleson Philathea Class of Niedringhaus Methodist Church met in the all-purpose room of the educational building Tuesday evening with Mrs. Winifred Reimers, president in charge.

"America" was sung by the group to open the meeting with

Mrs. Genevieve Miller providing the piano accompaniment. The devotional was given by Mrs. Ann Mathis, who spoke on the topic, "Doorway to Devotions," which described various statements of the nation's great leaders, including Washington and Lincoln.

Special music was presented by Mrs. Shirley Loy, who sang two solos, "Green Cathedral" and "I'll Walk With God." Mrs. Katherine Van Order reviewed the class paper and highlights in the lives of Washington and Lincoln were summarized by Mrs. Mabel Stewart as the lesson for the day. Mrs. Reimers offered

the meditations to conclude the meeting. A dessert luncheon was served to 22 members and two guests, Mrs. R. L. Miller and Mrs. Loy. The refreshments tables were appointed in a red, white and blue color scheme with silhouettes of George Washington, arrangements of cherries and miniature axes as their focal points. Hostesses were Mrs. Genevieve Miller, Mrs. Elva Miller, Mrs. Ida Cox, Mrs. Lilly Spotts, Mrs. Etolia Kruscheck and Mrs. Arvilla Frohardt.

**Pizza Pie**  
1 tablespoon sugar  
1 tablespoon shortening  
1 cup boiling water  
1 teaspoon salt  
1 yeast cake or 1 envelope of dried granular yeast softened in 1/4 cup lukewarm water.  
2 cups flour  
Olive oil  
Put sugar, salt, shortening and boiling water in a large bowl. Stir until sugar dissolves. Cool to lukewarm. Add yeast. Add 1 1/2 cups flour and beat until smooth. Add remaining flour. Knead until smooth. Roll out enough dough for 6 individual 4-inch pies to 1/8 inch thickness. Line 6 individual greased pie plates. Press up around edges to make a slight rim. Let rise 15 minutes. Brush lightly with olive oil.

**For the Filling**  
3 large red tomatoes, chopped  
Anchovies or other cooked meat  
3 tablespoons olives, chopped  
1 grated onion  
1/2 cup garlic, finely chopped  
1 tablespoon chopped parsley  
Silvers of Swiss or Italian cheese  
Parmesan cheese, grated  
Black pepper and a few grains cayenne.  
Sprinkle dough with the grated Parmesan cheese. Cover with pieces of tomato, anchovies, olives, parsley, garlic, onion and silvers of Swiss or Italian cheese. Bake in an oven 425 degrees for 25 minutes.

Brownie Troop Two, sponsored by the Wilson PTA, assembled at the school Monday for a weekly meeting with the leaders, Mrs. Julie Barnes and Mrs. Betty Walker.

The ladies auxiliary of the Long Lake fire department met Monday night at the fire station and celebrated its one hundredth meeting anniversary. All past members were invited.

A short business meeting was held. The decorations were in keeping with a valentine theme. Games were played and prizes were awarded to Mesdames Edna Barron, Beattie South, Priscilla Young, Cleo Anderson, Elizabeth Strange, Irene Karlechik, Merle Kahle, Ethel Gettelman, Frances Harper, Lola Biggs and Hazel Martin. Refreshments were served to all.

Brownie Troop 31 met Tuesday evening with Mrs. Corrine Jones at her home at 3949 Lake street, assisted by Mrs. Florence Deatherage. The girls practiced a play and a flag ceremony, and made bath salts. They also discussed wearing their uniforms during Girl Scout Week to church, and made plans for the cookie sale to start March 5.

Those present were Janice Kreher, Stephanie Deatherage, Dorothy Beliger, Linda Hamilton, Karen Deatherage, Becky Blackburn, Margaret Wilkerson and Betty Handfielder.

Den Four of Cub Pack 25 met Monday evening with Mrs. Evelyn Bringer, 4051 Lake drive. The meeting was opened with Herb Williams leading the pledge, and the boys did handwork, played a game and checked achievements. Refreshments were served to Daniel Hill, Donald Dayton, Larry Harvey, Gary McDonald, Dennis Bringer, Herb Williams and David Dayton.

Den Six of Cub Pack 23 met Tuesday evening with Mrs. Ethel Gettelman, 4052 Garden lane. The boys worked on favors for the blue and gold banquet and "goodwill" bags were given to the boys to be distributed Feb. 20 and collected Feb. 27. Refreshments were served to Allen Gene Gettelman, Alfred Miller, Floyd Ridgeway Jr., Michael Karlechik, Eddie Van Sooyk and Mark Smith.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker. The boys worked on a centerpiece and sang. A demon stripe was presented to Leonard Walker and the group played outdoor games. Refreshments were served to Leonard Walker, John Rellie, Gregory Walker and Bobby Busnelmyer.

Mr. and Mrs. James Hodshire, 3829 B street, returned Sunday after spending the weekend at Ave. Ill. visiting his father, Oscar Hodshire.

# Anti-Smut Ordinance Is Introduced, Finds Support

An ordinance placed on first reading by the Granite City council at its session Monday night, is designed to make the possession, sale and showing of a minor child material classified as indecent or obscene, unlawful and punishable by a fine of from \$5 to \$200 for each offense.

The proposed ordinance also states it would be unlawful for a retailer to refuse to furnish a retail dealer with books and magazines of an acceptable nature should the dealer refuse to accept obscene or lascivious material for retail sale.

Consideration of the measure is due partly to efforts expended here by members of the Citizens for Moral Decency and other groups interested in eliminating publications from racks in business establishments which date on criminality and indecency.

The CMD recently asked four representative citizens of Granite City two questions: "What is your opinion of the type of literature being made available to the youth of our community?" and "Do you have any suggestions concerning the problem of removal of these magazines from the racks of local merchants?"

Answers were received from Rev. Paul A. Surbey, pastor of St. John United Church of Christ; Harry Wood, president of the Granite City Council of PTA's; Grover J. Norwood, instructor in the biology department at Granite City high school; and Mayor Leonard R. Davis.

Citizens Reply  
Typical replies were: "With one hand we need to eliminate all the cheap, degrading and escapist type of literature that sick and emotionally starved and disturbed adults as well as youth feed upon; yet with the other hand we need to unite in a great program of strengthening the youth programs of our churches, schools, YMCA's, YWCA's, Boy Scouts, Girl Scouts, etc."

"We should have legislation which would prohibit the sale of such material to our youth. We should also undertake to advise parents of their duty (which) is to protect their children from such material."

PHIA To Select Site For Elderly Housing Project  
Answering city council members' appeal Monday night that the proposed 100-unit housing development for the elderly be located in West Granite, Robert Gibson, a member of the Granite City Housing Authority board who was in the audience, said the decision for a site rests with the Public Housing Administration.

Gibson said at least six sites here, including one in West Granite, have been inspected by PHA officials, and an announcement on their decision is expected soon.

Alderman Donald Partney proposed location of the project in West Granite and urged council members to use their "political influence." He pointed out when the addition to Kirkpatrick Homes was erected, there was an agreement the next housing project would be located in the West Granite area in order to aid the city's slum clearance program.

Alderman Walter Nomm suggested the housing authority might go on record favoring a West Granite site.

Gibson advised council members that the housing authority has but 120 days in which to break ground after it actually receives the already authorized \$20,000 planning grant from the federal government, and added the city could not afford to lose the grant because of a political squabble.

He said that in addition to considering location of public transportation, stores and other facilities, the PHA also favors proximity to existing federal housing projects for maintenance reasons.

"The PHA has the say," Gibson said.

Miss Deloris Cavins  
On College Honor Roll  
Miss Deloris Cavins, daughter of Mr. and Mrs. Onis Cavins, 2300 East 24th street, has won recognition for superior scholarship at Olivet Nazarene College, Kansas, by being placed on the first semester honor roll. The announcement was made today by Dr. W. E. Snowberger, Dean of the College.

The honor roll consists of the names of those students with a grade average of B or above.

## No-Parking Zones Proposed

### Resurfacing Of 18th St., School Walkway Studied

Planning for improvements to 18th street between Madison avenue and State street and for streets in the vicinity of a new playground in the Tri-City Park area, and a sidewalk along East 23rd street to the new elementary school was authorized Monday night by Granite City council members. The city engineer was instructed to prepare cost estimates.

The council also authorized studies and preparation of ordinances for no-parking zones along 17th street between Grand avenue and State street and on the north side of 22nd street west from Benton street to the alley.

In answer to a query by Alderman Casner Skubish, the city engineer reported the start of the St. Clair avenue bridge widening is being delayed because of special manufacture of large tiles needed for the job. He did not give a date for delivery of the tile.

Recommendation for paving the two blocks of 18th street was made by Alderman Samuel Whitman, chairman of the Street and Alley Committee, who said he had conferred with the city attorney and was advised the work would not interfere with the city's lawsuit against Illinois Terminal Railroad for removal of all abandoned trolley tracks.

First Ward Alderman Estlin Von Schmitt requested plans be prepared for improvement of Granite avenue from 12th to 14th street and from 12th street to Edwardsville road with curbs and a rock-asphalt surface. He also complained of operations by Lindley Trucking Co. at 17th street and Grand avenue, suggesting the police department keep close watch for trucks driving over the sidewalks and for the city to set up parking restrictions.

The 22nd street no-parking zone was suggested by Alderman Arthur Wieser, who said the roadway is narrow and parking hampers the movement of traffic. He pointed out the property owner on the northwest corner had put up posts on city property to prohibit parking there. It was recommended the Granite City Press-Record Page 26 Thurs., Feb. 18, 1960

## GC Woman Asks \$25,000 For Injuries In Suit

A \$25,000 civil lawsuit has been filed in the Madison County circuit court, Edwardsville, by Mrs. Katherine Sebesak of Granite City, naming the Kroger Co. as defendant.

In the suit, she alleges that the corporation was negligent in leaving a large, low platform standing unattended in an aisle of its store on Vameck road. Mrs. Sebesak further alleges that there were no warning signs posted around the platform, that she tripped over it and suffered serious permanent

internal and external injuries, was brought on a diabetic attack. The incident occurred Oct. 3, 1959.

In another suit on file in Edwardsville, Earl C. Sicker and his son, Earl Jr., are seeking a total of \$17,000 for alleged permanent injuries resulting from an automobile accident which occurred Dec. 24, 1958, near Granite City.

Lyn Barry of Litchfield was named defendant in the suit. The plaintiffs allege Barry's pickup truck crossed over the centerline into a traffic lane that there were no warning signs posted around the platform, that she tripped over it and suffered serious permanent

Bids will be opened at 2 p.m. Tuesday, March 8, on completing the sidewalk and curb construction program of the city of Madison.

A total of 41,386 square feet of present sidewalk will be replaced by 37,526 square feet of concrete, the final phase of the project.

New sidewalks and curbs will be constructed on Fifth street from State street to McCambridge avenue, Sixth street from State to McCambridge, Seventh street from State to Lee and Alton avenues, Eighth street from Madison avenue to Washington avenue, Tenth street from Washington to State, 12th from State to Greenwood street, Greenwood from 12th to Edwardsville road, Edwardsville road from Greenwood to McCambridge, Rhodes street from Sixth to McCambridge, Sken street from McCambridge to Rhodes and Market from Alton to the north city limits.

Action on the bids is expected to be taken at the city council meeting on the night of March 8.

Council members currently are studying complaints that dogs are roaming loose in the city, damaging gardens, hedges and yards and creating hazards for children in school areas. The humane officer on part-time duty is assigned to pick up stray dogs, and the aldermen hope to obtain cooperation from owners of dogs in supervising their pets.

At the request of Third Ward Alderman Raymond Kozien, Mayor Stephen Maestas plans to contact the Illinois Power Co. to determine whether reflectors on some street lights can be replaced to provide brighter illumination.

Sheppard, Morgan and Schwaab, city engineers, are studying suggestions by the Illinois highway division for minor changes in the traffic stoplight system on Madison avenue at Third and 12th streets.

## SIU Library To Be Federal Depository

The Southern Illinois campus of Southern Illinois University has been named a United States Depository, Congressman Melvin Price (D), East St. Louis, notified university officials this week.

The SIU library on the new campus near Edwardsville will receive some 10,000 books and pamphlets each year if it selects all publications made available by the U. S. Division of Public Documents. The southwestern Illinois campus was designated a federal depository to serve the 24th Illinois Congressional district by Price.

The government documents in the SIU libraries will be available to the public as required by federal regulations, according to Dr. Frederick Forster, coordinator of libraries.

## Trucker Reports Accident

A truck driver, William O. Eaker, 38, of 2813 Madison avenue, reported to Granite City police Monday afternoon that a pedestrian, an unidentified man, walked into the right rear of his vehicle while it was stopped for a boulevard sign on Illinois avenue at West 20th street. The trucker said the pedestrian apparently was not injured.

## City Expects To Use \$100,000 of Reserve Funds For General Operating Expenses

Granite City may spend as much as \$100,000 of its reserve funds for general operating expenses this fiscal year, and, luckily, there is a balance of \$175,831 in the sales tax special account, according to the Jan. 31 monthly financial report submitted to the city council Monday night.

The general fund balance on Jan. 31 was a mere \$22,513, while operating expenses have amounted to \$91,168 for the first nine months of the fiscal year, an average of \$106,789 a month. However, Controller John Doshier said a portion of the final settlement of 1958 taxes was received this month (not included in the January report) and bolstered the general fund accounts. Another \$75,000 or \$80,000 is expected as final settlement of 1958 taxes, but is not expected to be received until about April 15.

The city's actual income for general fund accounts during January amounted to a mere \$5775, and a \$14,000 transfer from the special sales tax account to the fire department was required.

Transfers from the sales tax and \$25,636 parking meter account are anticipated before the April 30 end of the current fiscal year since on Jan. 31, eight of 15 general fund accounts showed deficits.

Not all of the final tax money goes to the general fund accounts, as many of the special fund accounts also are tax supported.

The general fund accounts with balances on Jan. 31 follow with the total nine-month disbursement figure listed first: Fire department, \$238,096 and \$1842; water, \$10,427 and \$15; street lighting, \$7480 and \$2971; pumping station, \$1901 and \$332; electric, \$322 and \$712; dog catching, \$5575 and \$7293; and excess commissions, \$12,953 and \$61,899.

The general fund accounts with deficits follow, with the total nine-month disbursement figure listed first and then the deficit amount: Working cash, none and \$158; parking meters, \$30,422 and \$52,637; police pension, \$13,280 and \$26,878; fireman's pension, \$27,557 and \$18,009; public library, \$37,536 and \$31,718; arterial street maintenance, \$49,176 and 14 cents; unclaimed rebate, none and \$6972; sales tax, \$168,141 and \$175,831; motor fuel tax paving projects, \$22,001 and \$48,770; southern extension sidewalk paving, none and \$781; Morris street sidewalk, none and \$46; and Edwardsville road sidewalk paving, none and \$456.

## President To Speak On 'Anchors of Optimism'

Nicholas C. Mueller, president of Optimist International, will address local Optimists and their guests on "Anchors of Optimism," next Tuesday at St. Peter Evangelical and Reformed Church, 2103 Cleveland Blvd.

Mueller was elected president in June at the service group's 41st annual convention in Miami and will continue in office until next June 30. He has served the organization in many capacities, both locally in his home city of Baltimore, Md., and internationally.

The more than 70,000 members of the Optimist International profess to live by a creed, the precepts of which include strength of mind and body, abiding enthusiasm for daily living, being cheerful and striving to improve oneself.

One of the organization's three objectives is to encourage youth. This is done through oratorical contests, Bible Study, Youth Appreciation Week and more than 350 other activities. In addition to these three activities, the Granite City Optimist Club sponsors a Junior Optimist Club, a boy and girls acrobatic team and a group of boy singers.

## Scouts Of Troop 22 And Dads To Have Banquet

Two films on the U. S. Navy will be shown to fathers and sons members of Boy Scout Troop 22 of Frohardt school at a banquet at 6 p.m. Wednesday, Feb. 24, at the Rose Bowl restaurant.

All prospective boy scouts in the school area and their fathers are invited to attend. Harry Wood is in charge of reservations.

## Career Positions Open In Madison Post Office

The U. S. Civil Service Commission this week announced an examination for career appointments as post office clerk and carrier at the Madison post office. Applicants must be 18 years of age or older and residents of the Madison postal district.

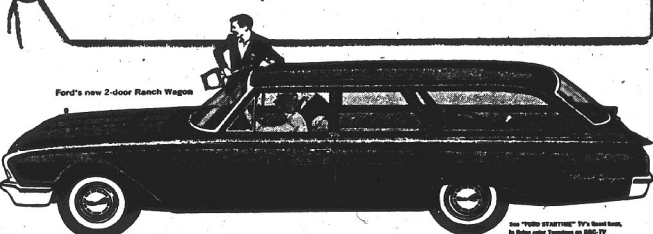

Starting pay scale is \$2 an hour for substitute employees and \$4035 a year for regulars. Forms are available at any post office, and they must be filed with the Executive Secretary, Board of U. S. Civil Service Examiners, Post Office Dept., U. S. Post Office, Springfield, Ill.

Those filing by the March 15 cut-off date will be scheduled first for the written examination, to be given in Granite City, and eligibles will be entered on a register, which will supersede previous registers. Those filing after March 15 will be examined later and added to the register in proper rating order. Such applications will be accepted until further notice.

## Stores in Two New Subdivisions Rejected

Requests for zoning changes to permit commercial establishments in the Glenview and Shamrock Gardens subdivisions were rejected by the City Planning Commission, according to a notice submitted to the council Monday night.

The requests had been submitted by Joseph Cell for shops and stores on St. Clair avenue in Shamrock Gardens and by Robert Byrnes for a commercial undertaking in the Glenview area, also along St. Clair avenue.

Several solons, including Walter Nomm and Camer Stubbish, pointed out the subdivisions form "a community to themselves" and that residents must travel as much as a half mile to buy a loaf of bread.

Nomm suggested the seekers of commercial developments in the residential area could circulate petitions pointing to the need for confectioneries and other commercial shops. "After all," Nomm said, "the council has the final say in matters such as this."

The council voted 11-to-4 to place the Plan Commission's report on file.

## Williams' 24.2 Average Is Tops In SWC; Must Score 24 Points To Beat Idle Patton

Granite City's Rich Williams has taken over the lead in individual scoring averages in the Southwestern Illinois Conference from Belleville's Mel Patton after a 35-point production against Wood River. The Maroon star still leads in points but has played one more game than Williams.

The third high member of the wild individual scoring race, Don Brooks of East St. Louis, also raised his average over the weekend but fell to third place behind Williams and Patton. The Warrior guard has a 24.2 average on 267 points in 11 games. Patton, who has a 24.1 average, with 290 and all 12 of his conference games played. Brooks has a 23.9 mark with 263 points in 11 games.

With Patton idle, Williams must maintain his 24.2 average in the season's last game at Alton tomorrow and also keep pace with Brooks in order to win the scoring crown for the third straight year.

Already this season, Williams has scored more points than in 1959.

## Dupo Seeks Clean Sweep At Madison

Dupo's tall Tigers will attempt to add glory to the Midwestern Conference title, and Madison's Trojans will be out to break the longest losing streak of the rapidly-waning season when the two squads collide at 8:15 tonight on the Madison floor.

Already the uncrowned champion this season, Paul Taylor's crew could compile a perfect league slate with a win. No MVC team has accomplished that feat since the Trojans became members of the loop back in 1952.

Madison is the only conference squad which has given Dupo any trouble this season, losing by six points on the "Tigers" court Dec. 11. The advantage Dupo has held over four other conference opponents averages out to better than 25 points a game, outscoring them by 204 points in eight games.

The Trojans will have to defend against the conference's tallest player, 6-9 Kendall Rhine, tonight. Rhine played a major role here last week, scoring 20 points and grabbing 20 rebounds as the Tigers escaped Granite City 65-62.

Rhine also had a good night against Madison in December, but the Tigers lacked scoring balance then. Forward Leroy Hogue has since recovered from a knee injury and has been in double figures in every contest since he returned to action.

Other Tiger starters are Bryn Morris, Doug Edwards and Jim Parker, who fit well into the Taylor concept that the best offense is a good defense. Midwestern opponents have found Dupo's combination of height and a tight zone tough to crack.

Madison must pin its hopes on big Ed Walker's ability to score consistently against any type of defense. The Trojan post man is averaging 18.4 a game against MVC opposition and 21.7 overall.

Help also must come from other sources, since the Tigers are sure to sag against Walker. Accurate outside shooting by Ken Griggs and Dan Hryzko is needed, and both guards are capable of 10-point-plus nights. Frank Hite is Coach Charles Mueller's third outside possibility, with Lemon Smith, Frank Modraic or Otis Wright at the forwards.

Madison will play its third game in four days tomorrow night, wrapping up its conference schedule at Highland. The Bulldogs lost in Madison earlier in the season, 74-60.

either of his previous winning years. As a sophomore, he scored 264 points, and last season he netted 290.

Brooks' team will play Edwardsville Friday night. The fourth player with a chance at the title, Collinsville's Bogie Redmon, plays at Wood River in the season's last game for both squads. Redmon has 249 points in 11 contests for an average of 22.6. He would have to score at least 42 points and Williams and Brooks would have to have off-nights for Redmon to take the crown.

Williams' excellent position in the race is a pleasant surprise to Warrior fans. Just three weeks ago, it appeared that the large Patton lead would be too much to overcome, but the Belleville star finally had a one-game slump. He was held to only nine points by Alton, and that low-scoring performance gave Williams the chance he now has.

The fifth man in the scoring race, Bud Vallino of Edwardsville, has an 18.9 average on 209 points in 11 games.

## Bowling Crew Faces 2nd-Place Falstaff Saturday

Granite City Old Milwaukee will take a slim, two-game lead into the third and most crucial position round Saturday as the eighth Southern Illinois Bowling Proprietors Association Classic league teams move onto the Caesars Bowl lanes for a 7 p.m. session.

The Bowland five is scheduled to meet second-place Alton Falstaffs, who cut one game off the local squad's lead last week by sweeping three games while Old Milwaukee salvaged two of three.

The Falstaffs, defending champions, will enter Saturday's match riding on a hot streak which has seen them take 20 of their last 24 games. Old Milwaukee has won 17 of 24 over a similar period.

Paired in other position round matches are the Belleville Carling Stars against Collinsville Bush Bavarians, East St. Louis Bogi-A-Way Lanes against East Alton Bowl Inn, and O'Fallon Sports Bowl against Lewis and Clark Motor Lodge of Wood River.

The Old Milwaukee-Falstaff match is by far the evening's top attraction, since at this late stage, the race for the league title, won last year by the Falstaffs, shapes up as a two-team affair.

Bill Terrell's Coolidge eighth grade basketball team finished the season with a 13-5 record and earned second place in the Madison County Junior High Conference. The squad also placed third in two post-season tournaments, the conference meet and a Collinsville invitational tourney.

Coolidge hit on 40% of its field goal attempts and 59% of its free throws in racking up 876 points for an average of 48.6 a game. The opponents scored 54% from the field and 48% on free throws in scoring 716 points for an average of 39.7.

"I think Jim Proffitt, Jerry Nelson, Jim Cant and Larry Lilley are among the good high school prospects," Terrell said. "Proffitt should be a good scorer because he has a nice shot."

Proffitt led the team in scoring with 213 points for a 12.1 average and was followed by Stan Smirke of the Rochester Americans in the American Hockey League was born in Belgrade, Yugoslavia.

## Oilers, Exterminators Win; Stage Set For 1st Place Battle Tonight

Spangler Oil and the Modern Exterminators will meet for the final time during the regular season tonight at the Coolidge gym in what should be the deciding game in the Granite City park district Classic League basketball championship race.

The 7 o'clock contest, first of two classic games tonight, will break the first-place deadlock between the two teams and will make the winner an odd-on favorite to capture the title with only one week of regular season play remaining before the playoffs.

The Oilers and Exterminators are 8-2 on the season. Both Spangler defeats have come at the hands of the Exterminators (89-88 and 90-81) while Spangler clipped Modern 95-90 in a third meeting and the Exterminators were upset by the Teachers 94-93.

Both participants in tonight's feature Classic game gained their eighth victories in easy fashion Monday night at the Coolidge layout. Spangler defeated the Teachers 73-57 after the

Exterminators had been absent for a forfeit win over Friedman's of Madison.

Spangler, paced by Art Borcher's 21-point effort, took a 46-28 halftime lead over the Teachers, who rallied in the second half behind Bill Terrell's 26-point performance but could not close the gap. The Teachers again played without Bob Miller, the league's leading scorer on average.

Although out of the race for the regular season title, both the Teachers and Friedman's will get another shot at the one team in post-season play which begins Feb. 29. The playoff championship will be decided in a single game on March 3.

The standings:

Team	W	L	TP	OP
Spangler Oil	8	2	784	877

**Red Devils Tie For Runner-Up Spot In MBC Loop; Bunker Hill Victim**

Venice's Red Devils, who have flirted with a 100-point evening on several occasions this season, waited until the final game of the regular schedule to achieve the goal, topping the MBC of Bunker Hill 100-78 in Venice Tuesday night.

The win capped a 16-7 season for Zehn Wells' hustling squad and enabled Venice to finish in a two-way tie for second place in the Madison-Bond-Clinton Counties conference with a 10-4 record, identical to the MBC, mark posted last season.

Schools represented in the sectional will be Granite City, Wood River, Bellerose, Villa, Rosalia, Greenville, Belleville and Carbondale of the Wood River district and Jacksonville, Springfield, Lanphier, Quincy, Deatur, Elmwood, Deatur, MacArthur, Vandalia, Springfield, Fairbairn, Deatur and Jacksonville of the Illinois Braille of the Springfield district.

The Wood River district champion will be paired with the Springfield fourth-place representative, Wood River second with Springfield third, Wood River third with Springfield second and Wood River fourth with the Springfield champion in each weight division.

Semifinals will pair the winners of first and second bouts of the opening round, and the third and fourth opening bouts.

Warriors taking part besides Taylor, Brewer, Riddings will be Larry Brierley, 50; Buddy Felchlin, 112; Roger Blochman, 120; Charles Parkins, 127; Dave Brawley, 133; Sam Fazio, 138; Eldon Poole, 143; Jerry Wallace, 154; and Ed Craft, 165.

Tom Nance hit 16 to top Trinity, which now has a 1-7 record and stands in sixth place. Second Baptist led 13-5 after one round of play and then turned the game into a rout.

First Assembly, with Earl Whitman hanging in 22 minutes and teammate John Draper hitting for 21 more, was held close by the Eagles for the first two

quarters of play and led 35-34 at the intermission.

A 31-point third quarter put the winners well out of reach, however, and the game became a runaway in the final period. Ed Modrak continued his steady scoring for the Eagles, getting 20 points.

## 2nd Baptist, Trinity Keep 1-2 Church Loop Ratings

Second Baptist made it seven straight wins in the park district Church basketball league Monday night by trouncing Trinity Tabernacle 101-52 after First Assembly of God had insured its second place standing by trimming the Polish Eagles 93-65.

Devey Melton set an individual season high scoring mark by dropping in 40 points for Second Baptist. The 101 points by the winners also established a league mark. Three other Second Baptist players hit in double figures, including Norman Groves, who tallied 23.

Tom Nance hit 16 to top Trinity, which now has a 1-7 record and stands in sixth place. Second Baptist led 13-5 after one round of play and then turned the game into a rout.

First Assembly, with Earl Whitman hanging in 22 minutes and teammate John Draper hitting for 21 more, was held close by the Eagles for the first two

## City Buys Five New Autos For Police Dept.

A bid of \$4420, submitted by Farrington Motors, was accepted Monday night by Granite City council members for purchase of five Dodge Dart sedans for the police department.

The only other bid, in the amount of \$5237, was submitted by Mathews Chevrolet Co. for five Chevrolets.

The city will be given a trade-in allowance of \$13,236 for five 1959 autos now in operation by the department.

Recommendation for the bid acceptance was made by Alderman Casner Skulski, chairman of the Police Committee, who said the new autos were inspected by the police chief and committee.

## Gruen On Dean's List At Blackburn College

Roger Wayne Gruen, son of Mr. and Mrs. Elmer Gruen, 2302 East 25th street, has recently been named to the dean's list at Blackburn College, Carlinville. The Dean's List represents a high academic achievement in the college community.

The dean's list is compiled after each grading period by the dean of the college. The current list contains 23 students who have achieved excellence in their college courses.

Gruen has also been active in other campus activities.

## Solon Suggests Two-Way Traffic On Grand Avenue

Proposals to open Grand avenue to two-way traffic between 18th street and Niedringhaus avenue and to permit right turns on red traffic signals were presented to the Granite City council Monday night by Alderman Charles Meyer.

The suggestions were referred to the Traffic Committee and police department for study, with recommendations to be submitted at a later date. Alderman Estill Von Schmitt said he wanted to talk to the people living along Grand avenue, before any ordinance restoring two-way traffic is prepared.

Meyer said Grand avenue could be included in the ordinance to be prepared for the change to two-way traffic proposed for the 1900 block of Benton street. "It's a similar situation, and Grand avenue is wide enough to handle two-way traffic," Meyer said.

## Alderman Doves Explains Father Has Retired

An explanation of his father's employment by the East Side Levee & Sanitary District was given during Monday night's Granite City council session by Eighth Ward Alderman Emerald Doves.

The alderman said his father, Millard Doves, had retired from the job last year after 26 years of working for the levee district. Doves, who also is a Democratic precinct committeeman, said his father's report shows gross collections of \$10,583, with 36 percent or \$3,835 deducted by the state for its administrative costs. He actually did work and was not just on the payroll, the alderman commented.

"In fact," Alderman Doves said, "he told me that it took him 26 years to get his name in the paper and then it was after he had retired." The annual report of the levee district's 1959 expenditures, published Feb. 4, listed Millard Doves as receiving \$804.

The alderman closed his statement by remarking that his father's job with the levee district never did influence his vote as a member of the city council.

## Speaker On Soviet Schools At Local 743 Installation

Dr. Alexander Calandra, associate professor of physics at Washington University, will speak at the annual smorgasbord of American Federation of Teachers Local 743 at the Granite City high school cafeteria Thursday, Feb. 25, at 6:30 p. m.

His topic will be "What the Russian Educational System Means for America."

Dr. Calandra, who received his Ph. D. degree from New York University, is a member of the committee planning reorganization of the science curriculum for gifted children in grades five through eight of the St. Louis public schools.

He has been a promoter of giving children more advanced science and mathematics courses as a move toward overcoming what he feels is a growing deficiency in United States scientific education.

Paul Woods, state executive secretary from Springfield, will install the newly-elected officers of the federation. Jack Johnson will play organ music during the banquet, and Eugene Alaisi is in charge of the decorations.

Members of the administration, school board and labor organizations are being invited as guests.

Officers to be installed are: Dr. Laehr, president; Ralph Bailey, first vice-president; Miss Emma Sue Rose, second vice-president; Mrs. Charlotte Price, recording secretary; Mrs. Helen Hays, corresponding secretary; and Robert Zaleski, treasurer.

Laehr and Mrs. Hays have been re-elected. The other officers either held other offices or no offices in 1959.

In addition to the six main officers, 24 building representatives will be installed.

## Old-Style Auto Stickers For '60-61

Granite City's 1960-61 auto license stickers will return to the original "industrial magnate" design, it was decided during Monday night's council session, although Mayor Davis pointed out the "All-America City" sticker could be retained.

Council members said they preferred to relinquish the "All-America" emblem to the neighboring communities of Alton and East St. Louis.

Also under consideration is issuance of the \$3 stickers without charge to any local auto owner who is a disabled veteran and has state "V" license plates. An ordinance is to be prepared.

The new stickers, color undetermined, are to be ordered from a Ft. Smith, Ark., firm at a cost of 3017 cents for each of the 13,000.

Here's what you should know about light

Your eye doctor knows better than anyone the importance of good lighting. But just what does "good" light mean? You'll be pleased to know that good lighting in the scientific sense also means the pleasantest, most cheerful, most flattering light. Here are some general home lighting principles that not only will beautify your home, but which would be thoroughly approved by your eye doctor.

For the only pair of eyes you'll ever own, good lighting is about the best investment you'll ever make. Consult your eye doctor. For scientific good lighting ideas, drop in at our office.

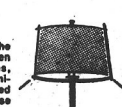

EYE MUSCLES react involuntarily to changes from bright light to shadow. This results in eye strain. So an important thing is to provide a high level of illumination throughout the room. Light directed to the ceiling reflected downward to eliminate shadows.

SHADED lamps should be deep enough so that, whether standing or sitting, your eyes never look directly at the bulb.

ILLINOIS  
POWER  
COMPANY

WORK SURFACES such as desks and tables should be glare-free and should receive plenty of diffused light, free of glare and shadows.

FOR READING or close work the light source should be about fifteen inches away. Overhead fixtures, while good for general room illumination, need to be supplemented with additional lighting for close work or reading.

## New Decade Off To Good Start With Employment At High Level

The latest increase in employment in the Quad-Cities comes at a time when the working force normally shows a decrease due to seasonal factors. The present total of 15,727 employees reported by 61 major firms is up substantially from that of a year ago and from the employment level this fall.

There are always some who are listed as unemployed, but this number has been kept to a minimum here most of the time. This is especially true today, when many existing firms are working at or near capacity and new companies are being established. Gains shown in the new report include 265 people in the furniture and fixtures field, believed to reflect the beginning of operations by the Washier Corp., which has leased quarters in the former Mesco plant building. Estimates indicate that local employment will rise to 15,786 by mid-March, and a 16,000 total seems likely by summer. By then, increased construction work, hiring of vacationing students and opening of other firms should further stimulate employment. The "golden 1950s" decade is getting off to a glowing start.

Selfishness wrecks nations, just as it wrecks individuals.

## Happy Family Circle Requires Effort By Both Parents and Children

The world is heavily populated with individuals who would do "great things" if they had fine positions or plenty of money. However, the world has very few men or women who are striving to do the little things in life in a manner that befits the doing of the greater things.

There is much talk today, for example, about the value of family life. What do the average father and mother, in this day, do for the benefit of family life? For that matter, what contribution does the young son, or the young daughter, feel impelled to make in developing a happy family circle that in too many instances, is but a theory?

Happy family life is a cooperative affair. It does not depend on father or mother, or son or daughter, alone. Unless all work for the common good unless all members of the family try to be as unselfish as possible, then there can be no completely happy family circle. But it is worth thinking about and working for. What are you going to do about it?

## Broadway First Of Major Streets Due To Be Improved This Year

Excavation of the center area of Broadway in Venice signals the start of a busy year of street improvements in the Quad-Cities.

Parts of Nameoki road and 20th street in Granite City, the entire length of Madison avenue in Madison and the section of Main street between Broadway and the McKinley Bridge are among the major streets scheduled for widening and resurfacing during 1960.

With some secondary streets also listed for improvement, and major highway projects developing, the emphasis throughout the year will be on creating thoroughfares that will enhance traffic safety and allow vehicles to move with a minimum of hectic congestion and delay.

## Elmer Broomfield Entering Hospital

Elmer H. Broomfield, 1799 Delmar avenue, will enter St. Mary's Hospital, East St. Louis, tomorrow, where he will undergo major surgery on an injured arm.

Broomfield, a carpenter, sustained the disability last July 2, when scaffolding on which he was working, collapsed. He subsequently was hospitalized for 89 days and submitted to extensive operations. He is a member of Carpenters Local 169, East St. Louis.

## News Reflects Many Achievements By Quad-Cities' Younger Generation

How often have you heard one or the other of two familiar refrains - the younger generation is going to the dogs, and newspapers stress sensational, unsavory news while minimizing constructive accomplishments of teenagers? We do not believe either of these statements and cite Monday's issue of the Press-Record as an example of what we mean.

Front page articles disclosed that a Granite City high school senior won first place in a National Forensic League state tournament, qualifying for nationwide competition in California; all five candidates from the local YMCA won election as officials of a Youth Legislature which will convene at Springfield; and members of 11 Quad-City scouting units were honored, for window displays and outdoor demonstrations prepared in observance of National Boy Scout Week.

Other pages of the same issue told of valentine parties, church and club events and other wholesome activities; additional programs involving sports and civic accomplishments of local students at colleges; and varied achievements by youthful Quad-City athletes, including a grade school basketball tournament championship, first place in a district high school wrestling tournament and a possible first-place tie with vaunted Collinsville in the spirited Southwestern Conference basketball race.

There were other news, some of it not as laudatory. But it seems clear to us that the local juvenile population generally is doing a good job of growing up, and that an accurate image of this is being relayed to the public. Perhaps the idea that news derogatory to youth is overemphasized comes from reading it with more interest and remembering it longer than the favorable news.

## Exchange Of Information Can Aid Area Police In Enforcing Laws

The proposal for area police departments to exchange information on crimes and suspects is a sound one. The job of enforcing laws and arresting violators is difficult at best, and immeasurably more difficult if more than one city or state is involved and there is insufficient police cooperation.

With representatives of local and nearby police departments in Illinois and Missouri meeting together to work out details of the plan, the departments that have given least cooperation may be persuaded to fall into line. East St. Louis police, in particular, often have been less than helpful, and in some cases there have been problems in dealing with the St. Louis department.

Just as crime does not respect municipal boundaries, law enforcement efforts must go beyond an individual city if they are to be successful. By exchanging information in a wider area, just as they frequently do now within the Quad-Cities, local police departments should be able to solve an even higher percentage of law violations than at present.

Many of those who shout the loudest about prejudice have the most of it.

## Charge Filed In Crash On Niedringhaus Avenue

A charge of following too closely was placed against Thomas C. Fry, 42 of 4023 Braden avenue, after an accident of Niedringhaus avenue at the railroad crossing Monday evening. Fry was released after posting his driver's license as bond.

Police said he was traveling east on Niedringhaus avenue and crashed into the rear of an eastbound auto driven by L. R. Tipton, 52 of 2947 Washington avenue. No injuries were listed.

## Returning From Hospital

Donald Lipscomb, 2154 Edison avenue, is expected home this week from Jewish Hospital, St. Louis, where he has been receiving treatment for an enlarged liver. Lipscomb is employed by Seebold Construction Co.

Police said he was traveling east on Niedringhaus avenue and crashed into the rear of an eastbound auto driven by L. R. Tipton, 52 of 2947 Washington avenue. No injuries were listed.

## Voter Registration At 11 Centers Here This Weekend

Voter registration will be conducted this weekend at 11 special centers and six regular locations. Persons not now registered must do so by March 14 to qualify for voting in the April 12 primary election.

Registration will be conducted at the Venice city hall, Broadway and Klein street, 7 p. m. to 9 p. m. tomorrow; the Wilson avenue grade school, 2400 Wilson avenue, from 9 a. m. to 5 p. m. Saturday; Niedringhaus grade school, 29th and State streets, from 9 a. m. to 5 p. m. Saturday; the Venice Drug Store, 1200 Logan street, Venice, from noon to 8 p. m. Saturday; and the Kirkpatrick Homes recreation center, 1 to 8 p. m. Saturday.

Regular centers scheduled to remain open here until the registration deadline are the city council offices in the Madison city hall daily through March 14, 9 a. m. to 4:30 p. m.; the Venice township relief office, 1502 Fifth street, daily except Saturdays through March 14, 9 a. m. to 4:30 p. m.; Connelley residence, 1536 Third street, 7 p. m. to 9 p. m. through March 14; city hall in Granite City daily except Saturdays through March 14, 9 a. m. to 5 p. m.; Mrs. Andrews Brown residence, 810 (rear) Fourth street, Venice, 7 p. m. to 9 p. m. through March 14, 9 a. m. to 5 p. m. Next week's special centers will be as follows: Wednesday, Feb. 24, 1 to 8 p. m., Nameoki fire station, 3002 Nameoki road; Friday, Feb. 26, 7 p. m. to 9 p. m., Venice city hall; Friday, Feb. 24, 1 to 8 p. m., Eagle Park Acres, Saturday, Feb. 27, 9 a. m. to 5 p. m., Grenier Homes, Madison; 9 a. m. to 5 p. m., State Park High school, Nameoki township; and 1 p. m. to 8 p. m., Granite City Firing Range building, 1900 Poplar street.

## State Recovers Full Embezzlement Amount

Attorney General Grenville Boushannon announced Tuesday that the state of Illinois now has made full recovery of the \$1,571,364 embezzled by Orville E. Hodge during his term as state auditor.

This full recovery, plus all expenses, followed approval Feb. 10 by Judge DeWitt S. Crow of Sangamon county circuit court of a settlement between the state and Mrs. Margaret C. Hodge. By terms of this settlement, the state will receive assets valued at \$1,053,198. After entry of this order, State Auditor Elbert S. Smith received a \$560,816.69 check from the Hodge trust. Prior to this settlement, the state already had recovered \$1,003,880.28. The balance of \$567.67 is to be paid from assets remaining in the hands of the trustee.

The major assets included in the figure of \$1,053,198 to be turned over to Mrs. Hodge are Granite City real estate holdings owned by the Hodge before he became state auditor.

## Miss Cunningham On Nurses' Week Committee

Miss Evelyn Cunningham of Granite City is a member of the Illinois Nurses' Week Committee planning the special week March 6-12. The celebration is intended to increase public awareness of the profession so that more women will seek a career in the field.

The local district's planning chairman is Mrs. Elaine Fletcher of East St. Louis, a staff nurse at the East Side Health District. Mrs. Dorothy Neuhorn is head of the statewide observance of the week.

Other members of the local committee are Miss Louise Roth of Alton, Mrs. Jean Aldag and Mrs. Margaret Hosland of Belleville, Mrs. Dorothy Werner of Centralia and Mrs. Savon Murphy of Mount Vernon.

## City To Call Vote On Annexation

City action on petitions presented over a year ago by Benjamin addition residents for an annexation election was urged Monday night by Alderman Donald Partney. A motion for the city attorney to prepare for calling the special election was approved by the council.

The area to be annexed is to be specified by boundaries, and includes dwellings, churches and commercial businesses at the end of Missouri avenue on the west boundary of the city. A portion of the area is in Venice township and all of it is in the Granite City school district.

Also approved by the council were Granite City high school Band Parents' Club "tag days" for Friday and Saturday, April 1 and 2, requested by Charles Findell, president; and a resolution for support of a \$125 an hour minimum wage law, requested by the Tri-City Labor Council, AFL-CIO. The resolution is to be prepared and forwarded to the area's congressmen for consideration.

Mayor Davis, in presenting the request, said he had conferred with local labor leaders prior to the council meeting and they had requested the city support the change from the present \$1 an hour minimum.

## Speeding Charge

John Lower, 30 of 1120 Meridian street, posted \$11 cash bail for his release Monday evening when he was arrested at 17th and State streets by Granite City police on a charge of speeding.

## Woman Catches Arm In Washing Machine

Mrs. Peggy Thompson, 24 of 2544 Miracle avenue, caught her right arm in an automatic washing machine Monday afternoon and bruised her elbow against the side of the machine. She was arranging clothes in the washer and it suddenly started when the accident occurred. She received emergency care at St. Elizabeth Hospital.

In another case, William Russell, 16, son of Mr. and Mrs. William Russell, Jr., of 3125 Aubrey avenue, injured his left knee in an accident while playing basketball in a physical education class at Granite City high school.

## Nameoki Twp. Seeks Conference On Roadway For RR

A conference with Nickel Plate Railroad officials is to be scheduled by officers of Nameoki township to outline the paving of at least one street in the Cloverleaf addition to provide access by heavy trucks to the railroad's piggy-back dock.

Several residents of the area attended Tuesday night's meeting of the town board and complained that truck traffic was increasing and expected to increase further. They also complained that the truckers were parking near taverns and commercial establishments, causing traffic congestion.

Highway Commissioner Charles Hanks was asked to correct a drainage problem on Harvard street in State Park Place where a driveway to a tavern has blocked a ditch, and also referred to him was a petition from residents of the Johnson subdivision, immediately east of Granite City and the Globe addition, asking for improvements to the street.

Hanks reported the county highway department should complete work today on the new bridge being installed on Black lane at State Park Place, and that it would take his crew about two days to finish related work. "We hope to have the bridge open to traffic by Saturday," Hanks told the board.

The old bridge was knocked down several months ago when it was struck by an automobile. A committee was named by Supervisor Harry Briggs to work on the bridge.

## City's List of Bills, Fees Total \$9224

Bills totaling \$9224 were approved Monday night by Granite City council members, including \$1620 paid to Tri-City Heating & Air Conditioning Co. for the new fire station, and \$2608 to A. H. Stebbel Co. for completed work on the 27th street storm water drainage line at Wilson Park, between Delmar and State street.

Among other bills approved were \$416 to David J. Johnston for engineering services during January; \$721 to Tri-City Abstract & Title Co. for title insurance on the city-owned block at 23rd street and Madison avenue; \$616 to Federal Oil Corp. for 2150 gallons of gasoline and 238 gallons of oil, \$280 to O'Brien Tire & Battery Co. for two tires for a city street department grader and the switching of tires; \$500 to Harry Fiedle as final payment for the 2300 feet of film for the All-America City observance, and \$401 to M. H. Rhodes & Co. for parking meter parts.

Fees and allowances included were \$30 sidewalk expense allowances for Emerald Daves and Rufus LeMaster and \$107 paid to Earl Blomquist, city building inspector, representing 50% of building permit fees for January.

with Town Atty. Nick Vasiloff on an amendment to the town ship's proposed junk yard licensing and control ordinance, which is to be submitted to town electors during the annual town meeting in April.

The amendment would require a fence around junk yards, and the committee is to decide whether the fence should be constructed of boards to obscure the view or of other materials to prohibit trespassing. Hanks told the committee were Justices of the Peace Harrison Proffitt, John Karasch, Samuel Klimer and Harry Curtis.

**BOY SCOUT GOLDEN JUBILEE** issue of Scouting, national scout leaders' magazine, is shown being presented by Cub Scout Roger Lynn Stogner (left) of Nameoki Township Pack 96 to Arthur Rosenman (right), Chamber of Commerce education committee chairman and a former scoutmaster. In the center is Marlon Dobry, C. of C. executive secretary. The ceremony was held at part of the local observance of Boy Scout Month and scouting's fiftieth anniversary.

**TAX FACTS**  
What would elimination of the 10% Federal excise taxes on phone service and the transportation of persons mean to you? It would mean savings which the taxpayer can actually see and feel, the Taxpayers' Federation of Illinois said today, and a few examples will illustrate this point.

Using an actual householder's phone bill (January 1960), elimination of the tax would mean a phone bill of \$6.30 instead of \$6.93 — a saving of 63c on one month's bill. Here is the computation: phone bill \$5.20, plus 10% tax thereon of 52c; toll calls of \$1.10, plus 10% tax thereon of 11c — total bill paid of \$6.93 (which includes 63c Federal tax). Over a year's time, this phone user would be better off to the tune of \$7.56.

Again, using an actual example, let us see what the elimination of the 10% Federal tax on the transportation of persons would mean to a Mr. John Smith. John makes a weekly trip from Springfield to Chicago, and the price of such a round-trip coach ticket is \$10.29. If the tax were non-existent, he would pay \$9.25, or 94c less. Over a month's period of time, he would have at least \$3.76 more in his pocket; and, over the year he would have \$45.88 more in his wallet to see an occasional show or bring most welcome presents to his wife and children.

These taxes were "emergency" measures passed during the war years. The emergency has long since come and gone. It is estimated that these two taxes, if continued, would together produce \$450 million in fiscal 1961 revenues. Repeal, on the other hand, will result directly in lower phone bills and transportation costs, since the savings would be passed directly to the consumer.

Express your feelings to your Congressmen. A savings of \$450 million is not to be ignored. It has been due the public a long time.

**Vandals Enter Home, Smash Bottles**  
Vandals entered the home of Herby Jones, 1917 Benton street, scattering fine cool and smashing soda bottles in the basement.

Jones told police his house was entered between 6 and 7 p.m. Tuesday, and that the vandals also broke the shaker for his furnace. The method of entry was not listed on the report.

Burgess is a graduate of Commerce high school in Springfield, Mass.

**Karandjeff Attending ABA Committee Session**  
Henry D. Karandjeff, chairman of the board of the Granite City Trust & Savings Bank, left yesterday by plane for Washington, D. C., to represent the state of Illinois at a meeting of the Federal Reserve Committee American Bankers' Association. He will remain in Washington through Saturday.

Karandjeff is a member of the ABA committee.

## Roba Farrell, 65, Dies Suddenly Monday

Funeral services were held at 10 a.m. today in Trinity Methodist Church for Roba Farrell, 65, of 2537 Lincoln avenue, who died suddenly of a heart attack at 11:37 a. m. Monday.

According to Madison police who were called to the scene by Chris Marinet, operator of the Town Tavern, Mr. Farrell came into his place and complained of feeling ill. He was led to a bedroom and placed on a bed but soon lapsed into unconsciousness. The concerned operator called the police. Paged by the police, Deputy Coroner Lucy Lucido pronounced Mr. Farrell dead. An inquest ruled that death resulted from natural causes.

A friend of the family said Mr. Farrell was on his way to a Madison lumber yard to buy supplies for some remodeling he was doing at home.

He lived in Granite City 41 years but was a native of Gerald, Mo. He retired in September of last year from National Lead Co. where he was a foreman. He attended Trinity Methodist Church.

Survivors are his wife, Mrs. Agnes Farrell; three brothers, Champ and Harold Farrell of Granite City and Leo Farrell of Panhandle, Tex.; and his mother, Mrs. Virginia Farrell, of Madison.

Other arrangements are given in today's obituary column.

**Stick Through Window**  
Mrs. Sue Dillard, 3508 Kirkpatrick Homes, reported to Granite City police about 7:30 p.m. Thursday that a group of youngsters had thrown a stick through a window at her apartment. The youngsters were not located.

## City Preparing Lease Bid For Post Office

Lease of a section of the city-owned block at 23rd street and Madison avenue for a new post office building was before the Granite City council Monday night when an ordinance setting forth a bid advertisement was placed on first reading.

A tract of the lot with an approximate 245-foot frontage on Madison avenue extending through to Iowa street is open to lease, but the legal description was not included in the ordinance. Opposing the lease ordinance on first reading were Aldermen Walter Norn and Samuel Whitmer.

The city's new fire station is nearing completion on the south end of the block, and the city states in the ordinance that "it is no longer necessary or profitable to lease, but for the best interest of the city to retain" the remainder of it.

The proposed lease advertisement specifies a 50-year arrangement with rent to be paid on the first day of the term annually and in advance. Should the lessee fail to start construction within two years from the time of the execution of the lease the agreement will be called off.

Also specified is that the premises be used for a post office building only during at least the first 20-year period "and any other uses necessary and consistent with its use as a post office."

All plans and designs for exterior appearance of the proposed building are to "simulate or complement" the city fire station, and at the expiration of the 20-year period, the premises may be used, if no longer wanted for post office facilities, for purposes consistent with the neighborhood, but not for the sale of

## Local Sergeant On Maneuver in Germany

Army Sgt. Steve Major, 25, son of Mr. and Mrs. Frank Major, 1606 Second street, Madison, participated with other personnel from the 4th Armored Division in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany early this month.

Sergeant Major, who arrived overseas in November 1957, is a tank gunner in Company C of the division's 67th Armor in Furb.

He worked for the Tri-City Grocery Co. in Granite City before entering the Army in April 1957.

liquors or for operation of any business or service "of a noxious character."

The lessee also would be required to pay for water, gas, power and other utilities and maintain the grounds.
